Step 2: Verify Your Identity

If you are using SMS/Text to verify your identity, you will be automatically sent a new one-time verification code to your registered mobile phone number each time you login to your account.

Proceed to 'Step 3' once your code is received.

- If you did not receive your code, click "Resend" at the bottom of the screen.
- If you are having problems accessing your one-time code, select 'Try Another Method', then select Email. We will then send you a new one-time verification code to the email address associated with your DFAP online account.
